**Request for Hearing**

Your Honor:

The parties write to request you schedule a hearing on their Joint Letter – Motion to Compel, Docket No. 41, filed pursuant to Judge White’s standing order on Motions to Compel. As the parties have completed their settlement negotiations, but were unable to reach a mutually agreeable position, the parties are ready to move back into litigation and have their Motion to Compel heard.

Both parties are available for a hearing on September 22, 2010.

Very Truly Yours,

The Employment Law Group, PC
